

## Alaska State Medical Board

The [Alaska State Medical Board](#) is responsible for protecting the public through the licensing, regulation, and discipline of physicians, osteopaths, podiatrists, physician assistants and mobile intensive care paramedics. The board establishes and evaluates minimum education and competency standards for applicants who wish to practice medicine in Alaska. The board also ensures the continuing competency of practitioners by establishing and evaluating professional standards and specific requirements for biennial license renewal. The board is composed of eight members, including five licensed physicians, one licensed physician assistant and two public members.
